---	--	--

1. Donation to Red Cross

The Advisory Council made a \$500 donation to the Red Cross for the purchase of walkers.

2. Review of the Audited Local Government Services Financial Statements

The Advisory Council received a presentation from BDO Canada LLP on the audited Local Government Services financial statements for the year ending March 31, 2016.

3. Revision of Advisory Council Law and Residential Premises Law

The revisions of the Advisory Council Law and the Residential Premises Law are nearing completion with the Advisory Council having submitted their final recommendations for revisions. The laws will go through some final consultation prior to being adopted by Council.

4. IR No. 09 Community Core Phase II Road Construction and Landscaping Capital Expenditure Bylaw 16-TX-07

The Advisory Council recommended approval of this bylaw for the expenditure of up to \$450,000 to complete the road construction and landscaping for the community core.

5. Water Meter Billing

Progress is being made on the water meter project. Mock water billing may start in the fall and continue for around a year in order to get a good sense of the rates needed to treat and provide the water, and maintain the water system. It is anticipated that water rates may be set in the spring of 2017 and implemented in the winter of 2017. It should be noted that WFN's water rates are currently among the lowest in the region.

6. Next Meeting

The next Advisory Council meeting is scheduled for x'wi?x'wi?tán (August) 9, 2016 in the WFN First Floor Boardroom of the WFN Government Building.
