Community. Leadership. Pride.

Dear Members:

With the New Fiscal Year 2017/18, Membership Services would like to advise all members that the Recreation Funding Program begins the New Fiscal Year on April 1<sup>st</sup>, 2017 to March 31<sup>st</sup>, 2018 the following year.

Within, the time frame of the new Fiscal Year, all members are reminded and encouraged to use the Recreation Funding in the amount of \$ 400.00 per member per Fiscal Year.

Membership Services understands that some members may not have the financial ability to utilize these funds as per the Recreation Policy guidelines but we recommend that if members can't afford to use the program we do encourage the member to allow their family, friend and or relative to purchase recreational items, gym passes, etc, on their behalf with the understanding that this individual will be reimbursed all receipt purchases to a maximum of \$ 400.00. If this process is a consideration, please ensure you sign the application and state that the cheque be made payable to the one that has purchased on your behalf.
