sənsisyustən Building Renovation & Expansion August '18 Update

The expansion and renovation of the sənsisyustən House of Learning continues to make progress as we move into September 2018.

- WFN will be putting up panel signs along the project fence that feature rendered drawings of the building post renovation. The signs will also feature employment opportunity contact information.
- With students returning to school, members are reminded that with the school being a construction zone it is important to be safe when dropping off and picking up students.
- Parking will be limited and parents and teachers are asked to use over flow parking and avoid parking in the round about.
- Construction equipment will be working in the area. Please do not block or stop the flow of traffic in the parking lot.
- Members interested in employment with Greyback Construction Ltd. on the sənsisyustən expansion and renovation project can email their resume to Bobbi Shauer, bshauer@greyback.com

Detailed employment information can be found on the WFN website, www.wfn.ca or by contacting Derek Corning at dcorning@wfn.ca.
