A season's pass must be used a **minimum of 10 times during the season for it to be worth its value. Usage is verified at the season's end by a report from Big White. There is no guarantee that your application will be approved. In fairness to all, if you are an occasional skier/snowboarder and don't foresee using the pass at least 10 times, please apply for day passes. Applications for day passes will be accepted until the full credit is utilized.*

I, _____, am an avid skier/snowboarder and understand that a complimentary season's pass is a privilege, not a right, and I will not abuse it. Further it is my responsibility to act in a conscientious and respectful manner while I am up at the Big White Ski Resort.
