## sənsisyustən Building Renovation & Expansion May '19 Update

### **Project update:**

- Construction continues to progress on the school expansion project with the exterior stucco, interior painting, centre skylight replacement, front entry plaza and mechanical system upgrades currently underway.
- The project is on schedule and expected to be completed on budget by September 2019.
- sənsisyustən Administration are currently accepting student applications for the 2019/20 school year. Visit [wfn.ca](http://wfn.ca) for more information.
- Replacement of the gymnasium and multi purpose area roof is currently underway in preparation for the installation of the rooftop solar power panels. The rooftop is scheduled to be completed by summer 2019. Members interested in employment opportunities with the solar installation contractor can contact Derek Corning.

### **Employment:**

- Contractor, Greyback Construction is still looking for more skilled carpenters to bring onto the team.
- Detailed employment information can be found on the WFN website, [www.wfn.ca](http://www.wfn.ca) or by contacting Derek Corning at [dcorning@wfn.ca](mailto:dcorning@wfn.ca).
