

2019 29th Annual siya? Celebration

This marks the 29th year of the siya? celebration in our community. We would like to thank each and every helping hand that made this event possible.

Our new logo symbolizes the feminine aspects of life and teachings brought to us by our beloved yilmx^wm siya?

We invite everyone to join in as we honor the beautiful women of our valley and send prayers for a prosperous harvest in the years to come.
