Utilities

**PERMIT TERMS:**

- Resale as potable water is prohibited.
- A \$50 non-refundable fee (per week) is required upon application.
- This permit must be in the possession of the hydrant user when operating the hydrant.
- A gate valve shall be installed on the hydrant to control flow. The operating wheel shall be removed when leaving the hydrant unattended. Ball valves are not to be used for control.
- The connection shall be removed by the end of each working day, except by written permission.
- Approved backflow prevention assemblies and/or an approved air gap must be used throughout the entire hydrant use.
- Hydrant use for commercial purposes must have a water meter installed and have a temporary account set up with the Utilities clerk for invoicing purposes. Water meter reading: Before : \_\_\_\_\_ After: \_\_\_\_\_
- A current test report for backflow prevention assemblies must be attached.
- The hydrant must be fully open for use.
- Only hydrant wrenches are to be used (no pipe wrenches).
- Westbank First Nation Utilities reserves the right to restrict or terminate hydrant use at any time for any reason and in the event of such termination the hydrant user shall have no recourse against the Westbank First Nation or Westbank First Nation Utilities for damage or loss and hereby expressly waives any claim against Westbank First Nation or Westbank First Nation Utilities resulting from termination of this permit.
- The hydrant user acknowledges that any damage to the hydrant or the water main as a result of hydrant use will be repaired at the hydrant user's expense.
- Any connection to any fire hydrant without permitted approval will be subject to penalties authorized by the *WFN Waterworks Law 2005-16* and the *WFN Fire Protection Law No. 2005-11*.

**The Hydrant user understands and agrees that:**

The Hydrant User shall be liable for all loss, cost, damages, and expenses whatsoever incurred or suffered by Westbank First Nation Utilities, its officials, officers, employees and agents including but not limited to damage to or loss of property and loss of use thereof, and injury to or death of a person or persons resulting from or in connection with the performance, purported performance, or non-performance of this Permit, excepting only where such loss, costs, damages and expenses are as a result of the sole negligence of the Indemnities

The Hydrant User shall defend, indemnify and hold harmless the Indemnities from and against all claims, demands, actions, proceedings, and liabilities whatsoever and all costs and expenses incurred in connection therewith and resulting from the performance, purported performance, or non-performance of this Permit, excepting only where such claim, demand, action, proceeding or liability is based on the sole negligence of the Indemnities

The use of Westbank First Nation Utilities Hydrant Meter also applies to the above statement, in which the below is liable for all loss, cost, damages and expenses incurred while using the Westbank First Nation Utilities Hydrant Meter.

I HAVE READ AND UNDERSTAND THE ABOVE CONDITIONS
