

Development Services Schedule of Fees
November 1, 2023

WFN's Schedule of Fees for Planning & Development “sets out the fees imposed for development-related activities, such as rezoning, land use amendments, development permits, development variance permits, board a variance permits, temporary use permits, subdivision, and processing of latecomers, pursuant to the WFN Subdivision Development and Servicing Law 2005-15.”

The Fees have not been reviewed and updated since 2019. While common practice within a municipal government setting is to update these Fees annually, COVID and limited WFN Planning staff stalled a complete review and update of the Fees until now.

These changes will come into effect on November 1, 2023.

If you have any questions, please reach out to planning@wfn.ca or 250-769-4999.

Sincerely,
WFN Planning Team
