Westbank First Nation Positions Available for Sensisysten School Renovation

Greyback Construction Ltd. is hiring 3-5 individuals to work on the upcoming Sensisysten School Renovation project.

To qualify, applicants must have a background in construction, Level 1 first aid and WHMIS 2015 certification as minimum requirements.

Skilled Labourers: The successful applicant will show up everyday, bring a positive attitude, have experience using power tools, knowledge of operating equipment (Zoom Boom, Forklift, Manlift trained), be able to take direction and understand proper practice and procedures. Training is available as needed, Greyback has the ability to provide in-house training.

Ticketed and Un-ticketed Carpenters: The successful applicant will show up everyday, bring a positive attitude, be able to read blueprints, have experience with layout, and be able to take direction. Applicant must be able to operate all tools, and have knowledge of forming, framing and concrete. Depending on experience, applicant may be able to run a small crew. A minimum of 5 years experience in the field is required for this position.

Attendance and a positive attitude is very important to the success of our projects. Greyback offers fair wages and benefits. Please apply for this job by sending your current cover letter, resume with references and availability to Bobby Shauer - bshauer@greyback.com

We look forward to working together and building this meaningful project.

Yours truly,

GREYBACK CONSTRUCTION LTD.
