Westbank First Nation has a website and a Facebook account where photos and videos from Tetwít (Boys Group) events are periodically published.

Initial one:

_____ **Yes**, you can use pictures and videos of my child. I hereby grant Tetwít (Boys Group) the permission to use my child’s likeness in photographs, video, and other media in any and all of its publications, including bulletin boards and website entries. I waive any right to royalties or other compensation arising or related to the use of the photographs or videos.

_____ **No**, please do not print or publish photos or videos of my child online or in Tetwít (Boys Group)-related publications.

GENERAL RELEASE:

My son, _____, has my permission to participate in Tetwít (Boys Group) and to participate in activities arranged by the leaders in this regard.

I understand that Tetwít discusses topics relevant to boys’ development such as developing the foundational principles for managing conflict, standing up for themselves, and making healthy choices within their friendships. I understand that the boys are encouraged to share and express themselves regarding topics.

I understand that the following group guidelines are important:

- Confidentiality: what is said in the circle stays in the circle. Unless harm to self or others is revealed.
- Listening: it is expected that boys listen to each other without interrupting.
- Self-Paced: boys can choose to pass regarding discussion topics.
- Respect: non-judgmental attitude and basic respect for others and a tech-free zone.

I/We hereby release from any liability of Westbank First Nation and all of its personnel, employees, adult leaders and representatives from any claims for unintended or unexpected accidents which might occur during participation in Tetwit (Boys Group) events or traveling to or from said events. In granting this permission and release, I/We specifically recognize that my child may from time to time participate in off-site and/or outdoor activities, walks, or be transported to events by private vehicles operated by advisors or volunteers not as agents, employees or representatives. In such regard, I/We specifically release and will hold harmless Westbank First Nation, their employees, agents and representatives from any and all liability which may arise as a result of such transportation.

I understand that I may contact the facilitator with questions or comments about the group.
