

Westbank First Nation COVID-19 RESPONSE OVERVIEW

DRAFT v.8
06.11.2021

About

As a strong self-governing nation, WFN has 'leaned forward' in confronting the COVID-19 pandemic, communicated with transparency, and responded effectively to outbreaks using and integrated, whole-of community approach.

Three-Part Strategy:

1. PUBLIC HEALTH MEASURES

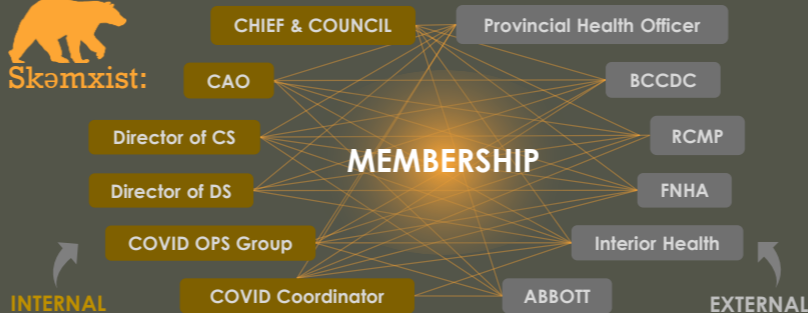

2. TESTING & CONTACT TRACING

3. VACCINATIONS & PLANNING

Skæmxist:

Statistics:

580 Tests Conducted Since March 2020

39 Cases Since March 2020

1087 1st Dose Vaccines Delivered

VACCINATED:

78% Elders 55+

69% Youth 12-17

80% Staff

Next Steps:

1 Continued public health measures rapid testing and contract tracing.

2 June - July

- 2nd dose for youth (12-17)
